

Dear Parents/Guardians:

Throughout the season, our players and coaches will be involved in many games, practices, activities and tournaments. Because we are proud of our kids, Derby Little League would like to provide local newspapers with information and pictures of our players performing on and off the field. Derby Little League will also possibly video some games for parents and other fans to see if they cannot make a game.

Derby Little League also has a website where we will have schedules and information about our league, and we would like to include photos of our players and coaches in action.

Check out our new website at www.derbylittleleague.com for constant updates.

Photograph & Video Release Form

- Yes, I give Derby Little League permission to use a photograph and/or to video some of my son/daughters games during our 2017 season.
- No, I do not give permission for a photograph of my child to be published or to video some of his/her games.
