

Derby Little League Hit - a - Thon 2019

Dear Parents,

On Sunday, May 19, all 10 teams from Derby Little League will be participating in our 4th annual Hit-a-Thon to help raise funds to make our program even better. We are hoping for 100% participation!

Trophies will be awarded to players from each level (Tee Ball, Coach Pitch, Minor League and Major League) who earn the most donations. Additionally, the team that raises the most money per division will be given a pizza party.

We are excited to streamline the donation and donor outreach process for our upcoming Hit-a-Thon. You and your player will now be able to reach out to friends and family electronically by email, Facebook and Twitter, instead of going door-to-door, tracking commitments and handling checks. Additionally, donors can make a contribution to support your player with a simple and secure online transaction.

You should have received an email from 99Pledges, our Hit-a-Thon partner, with a link to your player's very own pledge page. Simply share your link and make your flat or per-hit donation.

What is a Hit-a-Thon?

Players ask friends and family for pledges for the number of hits out of 10 pitches on Sunday, May 20. Donors can donate per hit or make a simple flat donation.

Next Steps

Share, share, share! Just share your child's pledge page with friends and family via email, Facebook, Twitter, etc. Include a personal message (see sample below) to let your supporters know their generous donation is going to support a great cause.

Sample Sharing Text

«Player Name» will be participating in Derby Little League's Hit-a-Thon. Please help by making a per-hit or flat donation. Below is a link to our fundraising page. Every little bit goes to a great cause. Thanks in advance.
