Derby Little League has partnered with the Bridgeport Bluefish in a unique fundraising effort. It requires Derby Little League to do virtually nothing except use our league code when purchasing box seats to see the Bluefish on any Tuesday night game throughout the entire summer, as well as additional bonus nights determined by the Bridgeport Bluefish. Our league code is DerbyLL.

Whenever you, your family or your friends goes to a Bridgeport Bluefish game on any Tuesday or any additional bonus night this year and purchase box seat tickets using our league code, DerbyLL, Derby Little League will receive $5 for each ticket sold. If a family of four purchases box seats to three games this summer, the Bluefish will give Derby Little League a check for $60. It's an incredible way to potentially earn a lot of money for our league without doing anything except use our league code when purchasing tickets and having a great time at a professional baseball game.

Please pass this information along to your friends, your family, co-workers or anyone else who enjoys going to watch the Bridgeport Bluefish. Please share it on Facebook too and please be sure to include our league code, DerbyLL.

Also, please see the links in the email below for other special events such as youth baseball camps, kid's club membership, fireworks nights and concert nights.

Your organization's code is: DERBYLL To order tickets call 203-210-BLUE (2583)

****Special Partner Promotion: $5 for any box seat ticket purchased using your code for Monday through Thursday in May. Advance purchase is required.****
